Rick,

I don't think the time has passed to provide comment. I have been communicating with ORD to see how we should do that. Stay tuned. Additionally, the full manuscript makes some comments that I think the region should be aware of. Attached is the full manuscript and a document highlighting comments from the manuscript. FYI.

Hi Regina,

No, I have not had a chance to review the full manuscript.

Ex. 5 Deliberative Process (DP)

I guess the deadline to submit comments on the manuscript has past?

Thanks,
Rick

Hi Rick,

I think you know the draft manuscript for the above study is out. Attached is an ORD summary. Not sure if you had time to review the full manuscript. I wanted to talk to you about some aspects. It is not urgent but let me know when would be a good time to discuss. Thanks.

Regina
